PART 01 · WHAT IT IS

# The $497 plan, renamed. *With your team's AI inside.*

## Founder Plan

REPLACES AGENCY PRO, TODAY'S $497 PLAN

**$497** /month

- ✓ **About 5 seats with unlimited Ask AI + AI Studio**
  You and your builders. No separate AI bill for sites and apps.
- ✓ **Ask AI becomes an assistant that does the work**
  It takes actions inside HighLevel for you
- ✓ **Upgraded prospecting to find warm leads**
- ✓ **New features land here first**
  Some may never reach the cheaper plans

*Not included: Managed Agent runs, still billed per use*

ALREADY ON $497?

**You get it automatically. Nothing to migrate or rebuy.**

WHEN

**Goes live at LevelUp, 26 to 29 October 2026.**

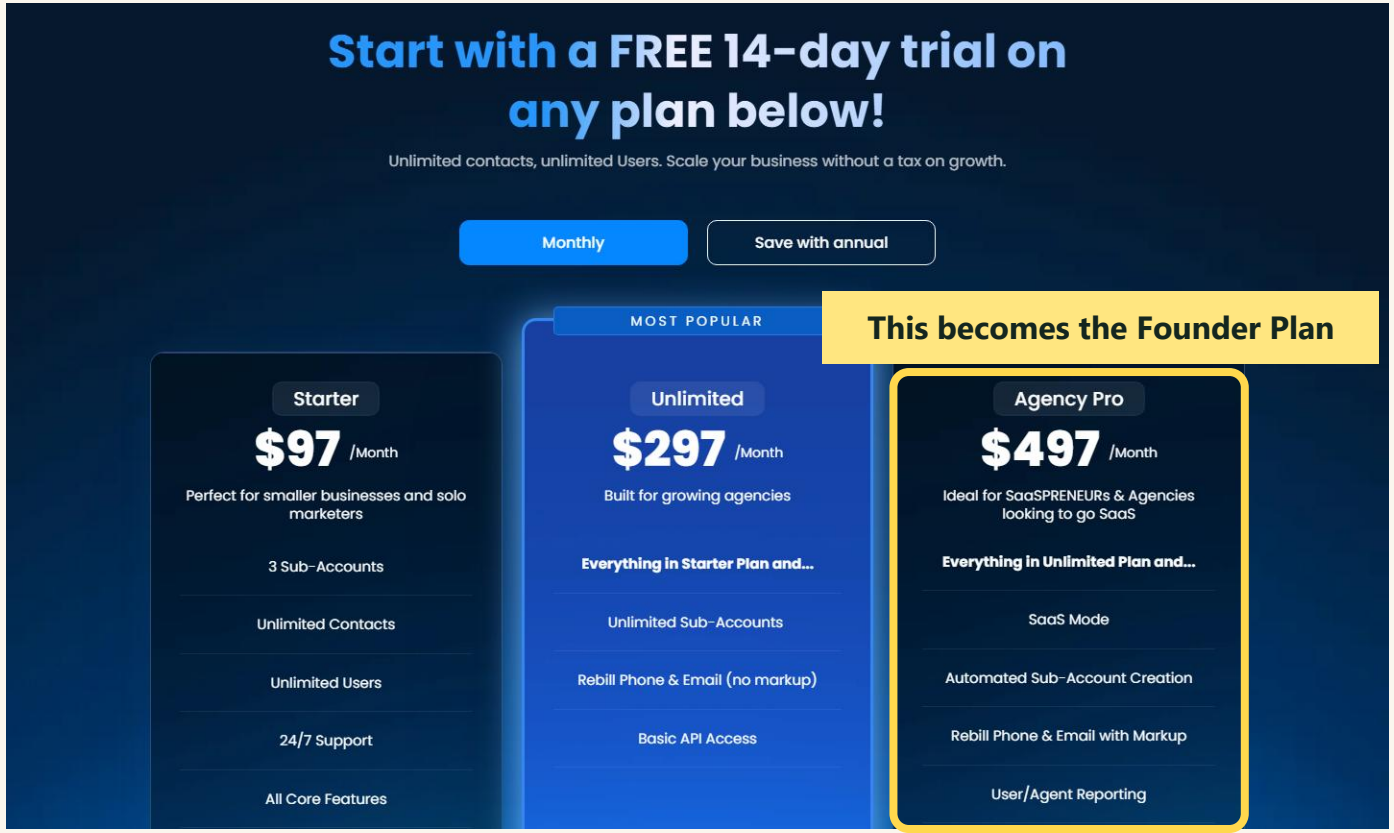

WHY NOW

**Ask AI and AI Studio are billed on other plans. This plan bundles them.**

PART 03 · WHO IT'S FOR

# Who should grab it. *Who should wait.*

## ✓ GRAB IT

- ✓ **You have clients, or want to resell HighLevel**
  SaaS Mode and markup rebilling come with it
- ✓ **Your team uses Ask AI or AI Studio every day**
  On other plans that is $20 per person, per month
- ✓ **You build sites and apps for clients**
  Unlimited AI Studio, no separate AI bill
- ✓ **You are already on $497**
  You get it automatically, nothing to do

## ✕ WAIT

- ✕ **You run one business, no clients**
  Starter at $97 covers 3 sub-accounts
- ✕ **You don't use Ask AI or AI Studio**
  The big new extra is the AI seats
- ✕ **You want to see it live first**
  It goes live at LevelUp, 26 to 29 October
- ✕ **You're happy on $297**
  You can upgrade any time, prorated

PART 04 · BEFORE YOU DO ANYTHING

# No reason to panic. *Join now or later.*

AUTOMATIC

## On $497 already?

You move to the Founder Plan automatically. Nothing to migrate or rebuy.

MONTH TO MONTH

## No contract

Upgrade, downgrade or cancel any time from your dashboard.

PRORATED

## Upgrade later

Move up mid-month and you only pay the difference for the days left.

Paying yearly? Agency Pro is **$4,970 a year** instead of $5,964 billed monthly. Only if you're sure.
